Datos del proyecto

- Título del proyecto: Video Editor (Permanent role)
- Descripción del proyecto: On-site (Barcelona, Spain)

As a Video Editor at Q For Media you will collaborate with our Quantum Tech HD team to craft engaging video content reaching millions of views worldwide. If you have a passion for storytelling, a keen eye for detail, and the ability to turn raw footage into compelling visual masterpieces, we want to hear from you!

- Objetivos del proyecto:

Quantum Tech HD works with the raw content from our collaborators. You will be responsible for editing the video content to maximize viewer engagement and ensure videos' top performance.

You'll work closely with Content Specialists and other co-workers to transform the raw content into more engaging, high-quality viral videos.

The process involves structuring the raw footage, setting the right pace, and creating a clear, compelling narrative refining the video through multiple iterations to ensure a polished, impactful final product.

As a Video Editor, you will

- Identify key elements that make content compelling in the context of video editing.
- Collaborate closely with Content Specialists to bring their vision to life, refining it until the final version of the video is achieved.
- Transform hours of raw footage into professional video masterpieces.
- Contribute with a strong understanding of visual storytelling and editing principles.
- Demonstrate a comprehensive understanding of how editing fits into broader business objectives.

- Provide awareness of industry trends, emerging technologies, and best practices to ensure our content remains innovative and engaging for the audience.

Perfil y tareas del alumno

What we're looking for

- Organized & Detail-oriented skills to manage tasks and resources autonomously, paying careful and precise attention to detail.
- Proven experience working with Adobe Premiere Pro and Adobe Photoshop.
- Efficiency at organizing the workload and knowing how to prioritize accordingly.
- Interest in YouTube, content creation, digital media, and new trends.
- Curiosity and dedication to learning and applying new knowledge.
- Strong visual eye to intuitively detect parts of the raw content which are more engaging
- Ability to work comfortably with iterative processes and collaborate with multiple stakeholders
- Passion to learn the ins and outs of successful YouTube channels and what drives their growth.
- Excitement about being part of a dynamic, rapidly growing industry and the creator economy.
- Being comfortable in a constantly evolving field that requires ongoing learning and the development of new skills to adapt to emerging trends and changes.
- Good English communication skills
- Good Spanish communication skills (nice-to-have)
